## LHPP14/68-30D Diesel Hydraulic Power Pack for Sale

### Description

LHPP14/68-30D diesel hydraulic power pack with a motor on the top of the power pack and pump inside the tank, thus get a compact structure, power consumption small power, sufficient power, and small size, easy to move, can work stably even in a harsh working environment. Diesel hydraulic power pack for sale around the world is used for driving hydraulic cylinder, hydraulic motor, and other hydraulic actuators.

### Application

LHPP14/68-30D diesel hydraulic power for sale is widely used as hydraulic driving for engineering machinery, construction machinery, and mining machinery.

Diesel hydraulic power pack uses diesel drive devices, can be applied in areas where power supply is not convenient, simple structure, stable performance, sufficient power, small size for easy movement. It is the preferred equipment for hydraulic drives.

Diesel hydraulic power pack for sale around the world, we have a diesel hydraulic power pack and electric hydraulic power pack for options, to meet your needs in different projects.

### Features

- 1) Hydraulic power pack for sale suitable for rough work circumstances, no matter what the project has outstanding performance, it is the preferred equipment for hydraulic drive.
- 2) Hydraulic power pack is equipped with Deutz series air cooling diesel engine.
- 3) Diesel hydraulic power pack with wheels move easily, very suitable for use at the construction site.
- 4) Hydraulic power pack for sale is the preferred equipment for hydraulic drive and suitable for rough work circumstances. No matter what kind of project, LHPP14 / 68-30D diesel hydraulic power pack can complete the task with quality and quantity.

### Technical Specification

Model	LHPP14/68-30D
Rated work pressure	14MPa
Rated output	68L(18gallon)/min
Rated Diesel Rev.	2600rpm
Diesel Power	30Kw/40Hp
Diesel Model	Changchai with water cooling( condensing type double cylinders)
Overall Dimension	2000x1450x1500mm
Weight	600Kgs

We also could according to your demands to design suitable type for you
